Next NOW Board Mtg

Host: Carolyn Modeen

### Marking 96<sup>th</sup> Year of Women Voting

Six from our chapter joined with a large group of women, young and older, at Central High School in downtown Phoenix, to celebrate the efforts of the suffragettes, who sacrificed so that we can now vote, 96 years later. After a light meal in the cafeteria, we went to the auditorium and saw an excellent film on their work in blazing the trails so that women could vote. Representative Kirsten Sinema talked about her pathway to becoming a congress woman. Other successful women in Phoenix spoke. It was a fitting tribute for a momentous occasion.

"No woman is completely free unless she is wholly capable of controlling her fertility; and...no baby receives its full birthright unless it is born gleefully wanted by its parents." Alan F. Guttmacher 1898-1974
