**NOW's Purpose** is to take action through intersectional grassroots activism to promote feminist ideals, lead societal change, eliminate discrimination, and achieve and protect the equal rights of all women and girls in all aspects of social, political, and economic life.

This year the Sun Cities/West Valley NOW Chapter will be **on zoom**. Our next meeting is **Wednesday April 7 at 1:00 PM**. We will have a *Ted Talk* presentation by **Kimberlé Williams Crenshaw** who developed the theory of intersectionality. She is a full-time professor at the UCLA School of Law and Columbia Law School, where she specializes in race and gender issues. Carolyn Modeen will host the zoom meeting.

## Memoriam

Page Taylor Hardage was a long time member of our Chapter. She passed away about one year ago and left, in her legacy, \$2000 to our NOW chapter. Who is Page Hardage, everyone says. She didn't attend many NOW meetings, but she did join our group for the Planned Parenthood luncheons in the Spring. She would carpool with us into Phoenix. She also joined in our car pool to attend the first Women's March at the State Capitol in 2016. At that time she was generous with giving bags of candy to all of us plus a small rubber hand to mount on a pencil top with the middle finger pointing up (Trump winning the presidency). She was again generous to our chapter—thank you Page, wherever you are. CModeen
