

THE SUN CITIES/ WEST VALLEY NOW IS PRESENTING FOR WOMEN'S HISTORY MONTH: WOMEN WHO CHANGED THE WORLD

Sherry Koopot,
docent at the Phoenix
Art Museum

From the beginning of time, women have made an impact wherever they were found. They may not have set out to change the world but they made decisions and movements that did indeed change their world and sometimes ours too! They were leaders, wives, mothers, artists, and writers, athletes, inventors, scientists, frightening adversaries or feminine idealists. Come and review their lives as revealed through paintings, sculptures, and photographs.
